TRIMMIER ROAD LANE CLOSURE

(KILLEEN, TEXAS): The northbound Trimmier Road lane closure from Turtle Bend Drive to US 190 has been extended through February.

The extension is due to drainage issues that arose during construction.

This closure is for construction activities related to the Trimmier Road Widening project, which will create a continuous center turn lane from Jasper Drive to Elms Road and improve sidewalks and intersections.

Motorists should exercise caution while in the area and plan alternate routes if possible.

The City of Killeen apologizes for any inconvenience caused by this project and appreciates your cooperation as we improve this roadway.
