

## **Northbound WS Young Lane Closure Begins Monday**

*Repairs expected to take four weeks.*

The northbound outside lane of WS Young Drive in the area of Bacon Ranch Road will be closed for approximately four weeks beginning Monday.

The closure will be from 7 a.m. to 4 p.m. weekdays for the duration of the project.

Closing the lane will allow crews to repair a damaged concrete section of the road. Work includes removing the damaged concrete and pouring a new section of road and curb and gutter.

Traffic will be detoured around the work area, and motorists are asked to anticipate slow traffic and plan alternate routes. When in the area, please use caution and obey signage.

The City of Killeen apologizes for any inconvenience as a result of this work, and we appreciate your cooperation as we repair this roadway.
