Apply Now for Summer Lifeguard Jobs

Pools open Memorial Day weekend.

The City of Killeen is accepting applications for summer lifeguards. Students age 16 and older are encouraged to apply.

Each year, the City hires lifeguards and other aquatics staff to operate the Family Aquatics Center and Long Branch Pool, which are open from Memorial Day weekend to Labor Day. The schedule for most summer hire positions coincides with the Killeen Independent School District school calendar.

Applicants do not have to be lifeguard certified at the time of application but must become certified by their first working day.

Full descriptions of summer hire positions, qualifications, responsibilities and pay is available at killeentexas.gov/hr. Applications are accepted online.
