

Lane Closures on Onion Road Begin Tuesday

Scheduled maintenance to improve road safety.

Onion Road lane closures are scheduled to begin tomorrow. Work is expected to take place daily from 7:30 a.m. to 3:15 p.m. through Friday.

Crews will be applying striping to Onion Road, from Elms Road to Stan Schlueter Loop.

Traffic will be routed around the work zone during work hours, and motorists are asked to use caution and obey traffic control devices. Motorists are encouraged to use an alternate route.

The City of Killeen apologizes for any inconvenience as a result of this work and appreciates your cooperation as we improve this roadway.
