OUTDOOR EMERGENCY SIREN TEST WEDNESDAY

(KILLEEN, TEXAS): The City of Killeen will be testing its outdoor emergency sirens Wednesday at 10 a.m. with an audible sound. This is only a test.

Killeen has 19 outdoor sirens located throughout the city. These sirens are utilized to alert residents, primarily those who are outdoors, in the event of emergencies.

Residents are also encouraged to utilize the CodeRed system for emergency notification. CodeRED is a free service that allows residents of Bell County to register preferred contact information such as cell phone numbers or email addresses. Users can choose alerts for a home address or other location and the types of emergencies for which to be notified. Signing up can be done online at ReadyKilleen.org or by phone at 866-939-0911.
