ROAD MAINTENANCE ON GOLDEN GATE DRIVE

(KILLEEN, TEXAS): Crews will be resurfacing Golden Gate Drive, from addresses 5002 to 4709, beginning Monday. Work will take place from 7 a.m. to 4 p.m. daily through August.

The project requires access to the entire street surface, curb to curb, so cars in affected areas must not park in the roadway for the duration of the project.

Residents will be able to access their homes by car throughout most of the project, but the road will be closed to through traffic. Residents have been individually notified, and all motorists should plan alternate routes.
