## **Boil Water Notice Lifted for 1500 and 1600 Blocks of Illinois Avenue**

*Normal water use may resume immediately.*

The BOIL WATER NOTICE issued May 30 for the 1500 and 1600 blocks of Illinois Avenue has been lifted effective immediately.

City crews completed fire hydrant replacement and restored water service.

Water quality tests have been completed, and the water is safe to drink and use without boiling.
