## **CITY MANAGER TO PRESENT PROPOSED BUDGET TOMORROW**

(KILLEEN, TEXAS): Killeen City Manager Ron Olson will present the Fiscal Year 2018 Proposed Budget and Plan of Municipal Services to City Council at a special meeting tomorrow at 4 p.m. at the Utility Collections Building, 210 West Avenue C.

This will be the first public presentation of the proposed plan for the coming fiscal year, which begins October 1. City Council will now deliberate the proposal at a series of budget workshops scheduled in August and September.

The City Charter requires the City Manager to deliver a proposed budget to City Council at least 45 days prior to the start of a fiscal year. City Council has until September 20 to adopt a budget. Budget adoption is scheduled September 19.

The budget along with all supporting documents, presentations and notices will be available at [killeentexas.gov/budget](http://killeentexas.gov/budget). Budget workshops will be filmed and made available on the webpage as well.

The public can provide input about the budget at a series of public hearings scheduled August 22, September 5 and September 12 or may submit comments via email to [citybudget@killeentexas.gov](mailto:citybudget@killeentexas.gov).
