## **KILLEEN MAIN LIBRARY OPEN WITH LIMITED SERVICES**

(KILLEEN, TEXAS): Killeen Main Library is now open. There will be no phone or computer capabilities at the library until further notice. All online library services are also down.

Power to the library was interrupted by a traffic accident Friday, and fiber is not yet restored.

Copper Mountain Branch Library, located at 3000 S. W.S. Young Drive, is open and operating normally.

The City apologizes for any inconvenience caused by these service interruptions and appreciates your cooperation as we complete repairs.
