ROAD MAINTENANCE BEGINS MONDAY

(KILLEEN, TEXAS): Preventive maintenance will begin on several city streets Monday according to the following schedule:

August 21	Little Rock Drive Golden Gate Drive	from Elms Road to Stan Schlueter Loop from 4709 Golden Gate to Bridgewood Drive
August 22	Meadow Drive Becker Drive	from CTE to Alta Vista Drive from Zephyr Road to Illinois Avenue
August 23	Hitchcock Drive Golden Gate	from Elms Road to Stan Schlueter Loop from Clear Creek Road to 5002 Golden Gate
August 24	Tripp Trail Meadow Drive Searcy Drive	from Sherman Drive to Westcliff Road from Alta Vista Drive to Leader Drive from Terrace Drive to Doris Drive
August 25	Glennwood Drive	from Teal Drive to Rosewood Drive

Work will take place from 8 a.m. to 5 p.m. Residents in affected areas will receive additional notice as service times near.

Each year, streets are identified to be slurry sealed, a process that extends the life of streets and provides a smoother riding surface. Slurry sealing involves the entire street surface, curb to curb, so cars in affected areas must not park in the roadway. Vehicles may use the roadway once the barriers are removed.

Traffic will be routed around the work zones during these times. Motorists should plan alternate routes.
