Volunteer Program

Progress

- **Painting Contractor**
  - Provided estimate on material requirements.
  - Awaiting color samples for final approval
  - Projected time for job – 10 to 12 days

- **Landscape**
  - Initial review – Involved clearing foliage from the rear area
  - Second visit pending

- **Volunteer Applications**
  - We are processing and approving applications as they are received. Currently, seven volunteer and five foster applications have been received and completed

Progress

- **Vet Technician/Volunteer**
  - Provides team support to staff to track animal health.
  - One volunteer has been selected.

- **Program Outlines**
  - Transportation Program
    - No impact on shelter operation
    - No COK involvement other than releasing the animal for transport
    - Animal Services is ready for implementation.

  - Photographer Program
    - Volunteer coordination is required to schedule activity.
    - Animal Services is ready for implementation.

Progress

- Grooming Salon Program
  - Minimal impact on shelter operations
  - Procedures are in place for program.
  - Coordination necessary for identification, scheduling and transportation
  - Ready for implementation

- Bull and Bully Program
  - No impact on shelter operation
  - Program promotes the adoption of bully breeds.
  - Only uses shelter as a resource for animal adoption.

- Volunteer Veterinary Program
  - Pending additional research
  - Coordinating with area vets needed
  - Procedures need to be defined.

Progress
