

KILLEEN POLICE ACADEMY TRAINING CENTER

Instructor Credentials

This form is to be completed by all personnel who will be instructing for the Killeen Police Academy and agencies seeking accreditation through the Academy. A complete resume is not required, but rather the instructors' validation of their teaching or experience and knowledge in the subject area(s) that are to be taught during the Course or Instructional Unit. List all of your substantial experience in teaching or in the special field(s) or subject area(s) to be taught. This is useful for us if you are qualified in other topics, allowing us to maintain an instructor resource database. Please submit an updated form to us when your credentials are revised due to changes in your training or assignment.
