## **JUNIOR SERVICE LEAGUE OF KILLEEN SPRAY PARK**

### **OPENING SATURDAY**

(KILLEEN, TEXAS): The City of Killeen and the Junior Service League of Killeen will celebrate the grand opening of the Junior Service League of Killeen Spray Park with a ceremony at the park Saturday at 10 a.m. The ceremony will include remarks by Mayor Timothy Hancock, City Manager Connie Green, and Junior Service League President Julie Allison. Though the ceremony is not open to the public, the media is encouraged to attend.

The spray park, located at Long Branch Park at 1101 Branch Drive, features several in ground water spouts and above ground spray features and offers residents a fun, free way to enjoy water recreation. The new “water playground” opens to the public Saturday at 1 p.m. and will remain open through September from 8:30 a.m. to 8 p.m. each day.

The spray park was made possible through a partnership between the city and the Junior Service League, which helped develop the concept for the project and donated \$120,000 toward its construction. It is part of the ongoing renovation of Long Branch Park, which has also included a new playground, renovated pavilions, bathrooms, and picnic areas, new benches, and fresh paint.

For more information on the grand opening of the Junior Service League of Killeen Spray Park contact Parks and Recreation Director Brett Williams at 254-501-8838.
