PRESS RELEASE

FOR IMMEDIATE RELEASE

June 28, 2010

Killeen Police are investigating a fatal accident that occurred today, June 28, 2010, in the 800 block of N. Roy Reynolds just before 5:30pm.

Officers responded to a report of an accident in the 800 block of N. Roy Reynolds Dr. at 5:24pm. Upon their arrival they located a male inside a white Chevrolet Z71 pickup and a female inside a blue Geo Metro. The preliminary information revealed from witness accounts is that the white pickup was traveling south in the outside lane of Roy Reynolds and for unknown reasons at this time the vehicle left the roadway, it appeared the driver over corrected and crossed both southbound lanes of traffic causing the pickup to collide with the blue Geo Metro that was traveling north in the inside lane. The blue Metro spun around coming to a stop facing south and the pickup rolled over several times coming to a stop on the eastside of the roadway and catching fire. The male driver was immediately transported to Scott & White Memorial Hospital by ambulance in unknown condition at this time. The driver of the Geo Metro, 66 year old Nancy Kivell of Killeen, was pronounced deceased at 5:56pm at the scene by Justice of the Peace Garland Potvin; he also ordered an autopsy to be performed at the Southwestern Institute of Forensic Sciences in Dallas.

This accident continues to be investigated and information will be released as it becomes available.
