FOR IMMEDIATE RELEASE

January 31, 2011

Killeen Police arrested three people after they were caught inside a residence they were burglarizing Friday, January 28, 2011 just before 11:00pm.

Officers responded to an alarm in the 3800 block Littleleaf Ct. on Friday, January 28, 2011, at 10:54pm. Once the officers arrived at 3808 Littleleaf Ct. they began checking the residence and found the back door kicked in and a female coming around the side of the building walking towards apartment #A. When she saw the officer she attempted to run back inside her apartment #B; she was detained at that time. A K-9 officer arrived and before entering the residence gave a warning that a K-9 was entering the apartment. The officers heard a male yelling that he was coming outside; he was detained at that time. The male suspect told the officers that no one else was inside the residence and that the other guy had already fled. The K-9 officer took his dog inside to clear the residence and make sure there wasn't anyone else inside; shortly afterwards the K-9 located a third male suspect inside the bedroom and detained him.

Through the investigation it was determined that two males and the female were responsible for burglarizing the apartment; they were taken into custody and transported to the Killeen City Jail.

This case was reviewed by the Bell County District Attorney's Office and complaints were returned charging 21 year old Denoreio Montrell Brassfield, 37 year old George Willie Norman and 40 year old Lakietha Diann Hall with Burglary of a Habitation. They are currently in the Bell County Jail under a \$50,000 bond.
