

CITY INSIGHT

A Message from Mayor Debbie Nash-King

As we round out this year, it's easy to look ahead at what's to come, but I'd like to make sure we also pause to reflect on some of successes and accomplishments of 2024.

We kicked off the year being named the most affordable, fastest-growing city in the country by GoBankingRates.com, along with the best housing market in the nation for first-time homebuyers, among other recognitions.

We had a largest class of graduates from the 10th annual Killeen Citizens Academy. That means there are 30 more residents who are now better informed and equipped to help make our city even greater, get involved and spread the word about what we're doing.

We're only two years into our 20-year Killeen 2040 Comprehensive Plan, and we've already completed or began more than half of the dozens of tasks listed.

Citizens can visit www.KilleenTexas.gov/Killeen2040 to continue to monitor the progress on the six "Big Ideas" over the next several months and years.

Included in that plan is downtown revitalization and we've made a \$15.6 million investment in the historic district in the last two years, with 214 new jobs added from 62 new businesses. We've held 47 family-friendly events downtown, renovated more than 27 historic buildings and installed 12 public art displays. We also published our first-ever Downtown Business Directory, featuring 82 businesses right in our downtown.

As we end this year, I want to thank the staff, Council and community for working together on these accomplishments. I hope everyone was able to enjoy our Holiday Under the Stars events, including the parade and tree lighting ceremony and we look forward to seeing you at more events in 2025. Happy Holidays!

Welcome to the team

2024 Veterans Day Parade

Honoring all who served

The 2024 Veterans Day Parade was held Monday, Nov. 11 in Downtown Killeen. The annual parade is held to honor all the brave men and women who have ever served in our armed forces. Killeen is proud to serve as home to many veterans and is just as proud to be partnered with Fort Cavazos, serving the needs of our current military, as well. We thank you all for your service.

A November to remember

This year's Fall Night Market concluded its season on Nov. 8. Even with some iffy weather, our community came out to shop small and support local! We even had youth entrepreneurs selling their goods and sharing ideas.

Thank you to everyone who made the Fall Night Market successful! Stay tuned for details on the Spring Night Market, expected to begin in April of 2025. Sign up for city alerts at www.killeentexas.gov/notifyme for info about events.

Our Animal Services team has started bringing pets to the Senior Center to help the pets interact with people.

Our furry friends enjoyed the snuggles almost as much as our Senior Center members did.

There are always many great pets looking to be adopted. For information, visit www.killeentexas.gov/animals.

Our Senior Center members had another great time at the 4th Annual Giving Thanks Luncheon! Thank you to all the performers, volunteers and staff who brought this event to life. This season, we're reminded of how much we have to be grateful for, including our amazing senior community who make Killeen so special.

We have a lot of fun activities throughout the year at our Senior Center. To learn more about the Senior Center, visit www.killeentexas.gov/Seniors.

We broke ground on a new terminal building at Skylark Field Airport on Nov. 6. This 3,000 square foot terminal will include amenities like a break room, vending machines, complimentary coffee bar, conference room, pilots' lounge, charging stations, and solar panels. Thanks to everyone who came out to celebrate this milestone!
