

Weekly Wednesday Commercial Plans Review (CPR):

Purpose: CPR was formed in 2007 by Building Official, Earl Abbott, to mitigate development questions and offer guidance to anyone desiring to develop our great City of Killeen. City development review staff includes Building Inspections, Planning, Fire, and Public Works' Engineering, Environmental, Water/ Sewer and Solid Waste Departments who come together to assist with development questions, commercial project plans review status, and evaluate contractor updates for projects under construction.

Schedule: CPR meets every Wednesday starting at 2pm

Covid-19 Update: Since March 2020, we have been hosting our meeting through Zoom. Please contact William Perez at the email above to be invited to one of our virtual Staff Development Review Meetings.

Primary Contact: William (Bill) Perez, Plans Examiner
P: (254) 501-7634
