

**NOTICE OF PUBLIC HEARING ON
REALIGNING COUNCILMEMBER DISTRICTS**

According to the 2020 Census data, the City's councilmember districts are not of sufficiently equal population and must be redrawn in order to comply with the "one-person, one-vote" (equal population) principle established by the U.S. Constitution.

The Killeen City Council is considering new boundaries for its councilmember districts and wants to hear from you. Tell us what you think about the preliminary councilmember district plan at the public hearing described below:

**PUBLIC HEARING ON
REDISTRICTING PROPOSALS**

5:00 pm

January 18, 2022

**City Hall
City Council Chambers
101 N. College
Killeen, Texas**

The preliminary plan for the councilmember districts will be available at the hearing and is also available for public inspection during normal business hours at Killeen City Hall, City Secretary's Office Monday through Friday from now until the date of the public hearing.

A copy of the plan is also available at www.killeentexas.gov/council. In addition, you need to be aware that the City Council has adopted Guidelines for public participation. The Guidelines, among other things, require that comments be submitted in writing even if you make them orally at the hearing; all written comments are due by the close of the hearing. The Guidelines may be found at www.killeentexas.gov/council. Any plans that are proposed must conform to the redistricting Criteria adopted by the City Council. The Criteria are found at www.killeentexas.gov/council.
