

**Killeen Recreation Services Youth Sports Townhall
Question and Answer
March 23, 2022**

1. For your 7 v 7 competitive league, if a kid doesn't have a team can they play?
 - a. Yes, we give the parent a list of teams signed up that they can contact to join.

2. Do we have practice for 7 v 7?
 - a. Yes. Teams will get practice twice a week leading up to games. Once games have started they will get one practice a week

3. What gyms will you utilize for basketball?
 - a. The Family Recreation Center.

4. When will games and practices be for the competitive basketball league?
 - a. Games and practices will be Monday-Thursday, allowing those teams to travel and compete in tournaments Friday-Sunday.

5. Why isn't Long Branch getting a new field?
 - a. The new fields created at Stewart and Phyllis park and field renovation at Conder park are funded through ARPA monies. We wanted to focus on amenities that would touch the most people, like splash pad renovations and installation of lights and restrooms. We do have future plans to put a field at Long Branch Park.

6. Why do spectators have to pay \$5.00 at the Family Recreation Center?
 - a. The Family Recreation Center is a membership-based facility. You must have a membership or pay a day-pass for any non-City of Killeen sponsored activities or programs.

7. Do you have tennis courts?
 - a. Yes, we have three courts at Long Branch Park, 1101 Long Branch Drive.

8. Will you have a fee for the Family Recreation Center basketball courts?
 - a. The courts are not rentable. We program the courts for member use to include pickleball, Zumba, open gym, basketball, and volleyball. Renting the courts would take away the amenities offered to our members.

9. Do you have a calendar of when competitive leagues are?
 - a. Yes, all of our sports calendars can be found on the city website at <http://www.killeentexas.gov/180/Athletics> or on our scheduling website at <https://teamsideline.com/sites/killeen/downloads>
