	<a href="#"><u>2025-11760</u></a>	This Phase 1 scope provides the structural back wall and bearing rafters for the attached roof-covered extension. Until the full addition is completed, this creates a functional, covered breezeway adjacent to the existing exterior wall of the home. Existing Conditions The new work ties into the residence along the side of the house. The new bearing wall runs parallel to the existing exterior wall. The extension will be open-air during this phase (no side walls or ceiling finishes). Scope of Work — Included • Frame one (1) structural wall that the new rafters will bear on, aligned parallel to the existing exterior wall. • Integrate a framed and cased opening sized for future French doors (final door size to be confirmed during Phase 2).	5319 TEAL DR, KILLEEN, TX 76542	Plenox Solutions Inc.		0			01/12/2026	10345.00	\$220.00
