**Sec. 11-6. Same--permitted use.**

- (a) The city council may permit the use of fireworks for public displays within the corporate limits of the city and within the area immediately adjacent and contiguous to the city limits and extending outside the city limits for a distance of five thousand (5,000) feet, unless such area is within the corporate limits of another municipality. Nothing in this section shall permit the use of common class C fireworks by members of the general public.
  - (b) Applications for permits shall be made in writing to the city manager at least twenty-one (21) days in advance of the date of the outdoor display. The city manager shall forward the application to the fire chief, who shall cause a site investigation to be made to determine whether the proposed fireworks display is of a nature or in a location that may be hazardous to property or dangerous to any persons. The fire chief shall forward his or her recommendation of approval or disapproval, along with any reasonable conditions that he or she recommends should be placed on the permit by the city council. The application shall also be forwarded to the police chief, who shall also forward his or her recommendations to the city manager.
  - (c) The application shall set forth the following:
    - (1) The name of the individual, group, or organization sponsoring the outdoor fireworks display, together with the names of persons actually in charge of the firing of the display;
    - (2) Evidence of financial responsibility in accordance with the requirements of Texas Occupations Code, chapter 2154.205, as may hereafter be amended and naming the city as an additional insured;
    - (3) The date and time of day at which the outdoor fireworks display is to be held and any alternate date;
    - (4) Confirmation of the state of Texas issued license of the operator and the number of assistants that will be present;
    - (5) Copies of the state of Texas issued public display permit if required;
    - (6) The approximate number and kinds of fireworks to be discharged;
    - (7) The manner and place of storage of such fireworks prior to delivery to the outdoor fireworks display site; and
    - (8) A diagram of the grounds on which the outdoor fireworks display is to be held showing the point at which the fireworks are to be discharged, the location of all buildings, highways and other lines of communication, the lines behind which the audience will be restrained, and the location of other possible overhead obstructions.
  - (d) Upon authorization of the city council, and in addition to any conditions placed on the permit holder by the city council, the permit holder must comply with the following requirements:
    - (1) Comply with the provisions of NFPA 1123 and Title 37, Texas Administrative Code, chapter 591, and any amendments thereto; and
    - (2) Immediately dispose of any fireworks that remain unfired after the display is concluded in a way safe for the particular type of fireworks remaining.
  - (e) Any permit issued by the city council is not transferable and is valid for only one (1) outdoor display to be held during the hours authorized on the approved date, or alternate date.
- (Ord. No. 95-12, § II, 2-14-95; Ord. No. 02-25, § I, 5-28-02; Ord. No. 09-015, § I, 2-24-09)
